THE HORSES AT BENNING.

The eastern racing campaign opens next Monday, when the spring meeting of the Washington Jockey Club begins at the Benning track. The prospects for an interesting meeting are good. Concerning the work of the horses now quartered at the track, the Morning Telegraph of Thursday, says:

"Marylander and Acrobat, of W. Jennings' string, are gradually coming to early spring form, and will be heard from during the coming meet. Acrobat breezed six furlongs in 1:19, and the good-looking three-year-old of the Jennings string, Glengar, was worked a mile in 1:50. Ruxton, Avoca, Wesa and Whim, three of Mr. Jennings' promising three-year-olds, were also out for a morning gallop.

"W. P. Burch was represented in the morning cavalcade by Thomas Cat and General Mart Gary, that were worked out three-quarters in 1:19. General Mart Gary will be fit to perform early in the meeting if he keeps up his present lick. Mr. Burch's Decanter is by no means partial to the track. Decanter prefers a hard surface to the cuppy sand, and it is possible that he will not face any of the issues at Benning. Mr. Burch has a likely looker in the two-year-old colt Peeler, by Inspector B.—Hayti. Peeler is taking kindly to his work and was sent along at a merry clip.

"R. Bradley has a fine lot of two-year-olds, the majority of which are almost up to a race. One of the best lookers in this string is Aloha II., by Aloha—Blanche. Another of the Aloha lot is Allie P., dam Purse. Billy Gunn, a Blitzen—Pink H. colt, is being touted as a comer by those who have watched this sleek son of Blitzen. Broadway Belle, 3, another of the Blitzen lot, dam Virgie, is a disappointment so far as health is concerned. She passed a bad winter and will not be worked in the Benning campaign.

"The two-year-olds in this Bradley lot include some of the speediest youngsters ever sired by Blitzen. The three-year-old Miracle colt, Miner D., has been worked a few times, but is scarcely up to a race as yet. Mr. Bradley's trainer complains that the horses in his lot are slightly sore of underpinning.

"Jimmy McLaughlin's string were given their morning constitutional. Roysterer, Premier, Charentus and Colonel Tenny were sent along yesterday for six furlongs at a 1:19 clip. Judge Wardell, Wadsworth, South Africa and Stray Step, of the Gaynor lot, are being exercised daily, and were worked out the full mile. Hynes' Russell Walden was on the track, and worked six furlongs.

"Frayling's charges are taking kindly to their work. Rhodymania and Tyrian knocked off a mile, and Impersonator and Knight of the Garter also sped a mile. Knight of the Garter is already fit for a race, and no objections have come from him on the score of rough track. In fact, the Bradley youngsters seem to be more sensitive to the track conditions than any other string at Benning.

"About 200 horses are now quartered at Benning, and the superintendent has received applications for stable room for several important consignments that will arrive during the week. About 100 more horses are expected this week, and the indications point to one of the most successful meetings in the history of the local track, though the fields will not, as a rule, average large.

"The jumpers in the stable of W. C. Hayes are all fit for a race. In this jumping lot are Trillion, Virginia Dare, and Sir Dennis. They are being schooled every day, after which they are given a mile gallop on the flat. Mr. Hayes says his jumpers have put in an excellent winter, and will surely be in shape to perform in the early spring events by jumping off the reel at Benning."

PROGRESS OF THE RACE BILL.

The Illinois House of Representatives yesterday advanced the pending bill for the government of racing to third reading after amending it in several particulars. As perfected the bill now reads as follows:

Section 1. Be it enacted by the people of the State of Illinois, represented in the general assembly, that an act entitled "An act for the assessment of property, and for the levy and collection of taxes" be, and the same is hereby, amended as follows:

Sec. 2. That every person, firm or corporation owning or conducting an inclosure where meetings are held for the trial of the strength of speed horses, and wherein pools are bought and sold or books or wagers made thereon, if any such meetings shall be held within fifteen miles of any city containing a population of 100,000 or over, shall pay to the State of Illinois a tax of 5 per centum of the gross gate receipts for admission of persons upon and for each and every day that any such meeting shall be held within any such inclosure; and if such meeting be held within five miles of a city containing less than 100,000 and not less than 10,000 people the tax to be paid shall be 3 per centum of the gross gate receipts; and in all other cases the tax to be paid shall be 2 per centum upon the gross gate receipts, such tax to be paid to the county treasurer of the county in which such inclosure is located, on the Monday next after any such meeting shall be held. Said county treasurer shall give duplicate receipts therefor, one of which receipts shall be by such person, firm or corporation sent forthwith by mail to the state treasurer of the State of Illinois, and said county treasurer shall, within ten days after receipt thereon, remit such sum or sums so received by him to said state treasurer, less the per centum thereof allowed to him by law for making collections of other taxes.

Sec. 3. The State of Illinois is hereby declared to have a valid lien upon all the real and personal property of the person, firm or corporation who may own or control the inclosure where any such meeting shall be held, to secure the full payment of such taxes, which lien may be in force the same as any other lien for taxes.

Sec. 4. All meetings provided for in this act may be held between the 15th day of May and the 15th day of October in any case, and between the hours of 12 o'clock noon and 7 o'clock in the afternoon, and at no other time or times; provided, however, that the total number of days shall not exceed sixty in any one year in which meetings shall be held within any one inclosure.

Sec. 5. At and during the time of any such meeting it shall be lawful to make books or wagers and buy and sell pools within any such inclosure upon the result of the trial of the strength or speed of horses to be actually had upon and within such inclosure during the meeting then being held, but not at any other time or place.

Sec. 6. Any person or persons who shall, as agents or otherwise, directly or indirectly, permit books or wagers to be made, or pools to be bought or sold, otherwise than as in this act provided, shall be fined the sum of not less than \$500 nor more than \$1,000 for each offense, and be imprisoned in the county jail for the term of one year. Such fine or fines to be paid to the county treasurer of the county in which said inclosure is located and by him remitted to the state treasurer, in the manner as hereinbefore provided in section 2 of this act.

Sec. 6 (A). Any firm or corporation who shall, as agent or otherwise, directly or indirectly, permit books or wagers to be made or pools to be bought or sold otherwise than as in this act provided, shall forfeit and pay to the State of Illinois not less than \$500 or more than \$1,000 for each offense, to be collected by suit in any court having jurisdiction thereof. Such forfeiture, when collected, to be paid to the county treasurer of the county in which said inclosure is located, and by him remitted to the state treasurer in the manner as hereinbefore provided in section 2 of this act.

Sec. 7. Any person, firm or corporation who shall fail to pay the tax imposed by this act shall forfeit and pay to the State of Illinois the sum of \$500 for each day that such tax shall remain due and unpaid, the same to be collected by suit in any court having jurisdiction thereof.

Sec. 8. All acts and parts of acts so far as the same are in conflict with any provision of this act are hereby repealed.

NOTES OF THE TURF.

Jockey Bullman has signed with W. B. Jen-
nings for the eastern campaign. Jennings will
have second call on Bullman's services, and
Purser first. Purser, however, will take only
four horses east. Jennings will race at San
Francisco two weeks longer and ship in time
to reach New York about the middle of April.
Bullman will ride Briar Sweet and Bendoran in
their big stake engagements.

The St. Louis Derby is to be run Saturday,
June 24, at the Fair Grounds. A big gathering
of Elks is scheduled for that week, and the
largest Derby crowd in years is expected.

Fred Haskin, of Hamilton, has secured the
betting privileges of the Ontario Jockey Club's
meeting. As in the past, every reputable book-
maker will be allowed to weigh in.

The latest arrivals at the Newport track are
John Rodegag with eleven horses; W. H. Mc-
Corkle, seven, in charge of Will McDaniels, and
T. G. Calvert, with seven head.

Tony Licalzi has also about decided to ship
Al Fresco, Lady Ellerslie and the others of his
string to Washington.

W. B. Jennings says that St. Gatien is the
grandest looking thoroughbred he has yet seen.

Under good riding Dolore handled her weight well and finished gamely. Petrarch was away well and ran his race. Colonial Dame made up a lot of ground in the stretch and finished fast. Formella looked short and will be improved by the race. Royal Fan quit in the stretch.

Scratched—11007 Sweet William, 123; 11076 Magnus, 114.

Winner—Br. f. by Bassett—Duchess of Towers. Start straggling. Won easily. Basseda outclassed her opponents and ran away from them when given her head. Under strong riding Ice Drop ran a good race. She is a useful filly and likely to stay well. Tanobe beat the gate and ran her race. The others are poor ones.

Winner—Ch. c. by Watercress—Paloma. Start fair. Won in a strong drive. Yellow Tail was best, but Limerick is a fine colt and when better seasoned will probably rank high. The race was confined to the pair. Tom Sharkey ran an honest race. Gusto made up considerable ground from a bad beginning. Saul of Tarsus was so green he did not know how to race. He is promising and will do to watch.

Anchored made up a lot of ground, closed fast and ran above his recent mark. Sombre's saddle slipped and Bullman could not control her after the accident. Ocorona and Jingle Jingle ran well. Judge Stouffer went lame. Yaruba ran a bad race.

Winner—B. c. by Quicklime—Bracelet. Start good. Won driving. Lime Water ran a good, honest race and won on his own courage, as Holmes was of little aid. Una Colorado's position was a fluke, though the horse is at his best. Torsida is not near as good as she was last year. She did her best and finished strongly. P. A. Finnegan ran a fair race, but he suffered from a weak ride. Prince Blazes did his best. Coda ran a bad race.
